

Meeting of the Prussian National Assembly in the Singakademie (1848)

Abstract

Meeting of the Prussian constituent National Assembly in the Choral Academy [*Singakademie*]. Like a number of other state parliaments convening during the revolution, it was a less revolutionary counterpart to the [Frankfurt National Assembly](#). Nevertheless, it advanced liberalization and democratic reforms until the collapse of the revolution in 1849. Wood engraving, July 1848.
